Cleansers

Balancing Cleansing Emulsion: Gently massage this gel formula onto dry skin, watch it melt away makeup and impurities, and transform into an easy-to-rinse milky emulsion when you introduce warm water. For thorough removal of heavy makeup or stubborn sunscreen on non-sensitive skin, consider using the Balancing Cleanser as a pre-cleanser before one of our water-soluble ZO cleansers listed above.

Exfoliating Cleanser: Perfect for those with oily or acne-prone skin, this cleanser offers a powerful combination of exfoliation and cleansing, effectively eliminating excess oils, impurities, and surface bacteria responsible for acne breakouts.

Gentle Cleanser: Crafted for all skin types, our gel-based cleanser efficiently rids your skin of impurities, leaving it refreshed, clean, and well-hydrated. Gentle Cleanser is also great at removing makeup.

Hydrating Cleanser: Indulge in the opulence of our creamy cleanser that not only removes oil and impurities but also pampers your skin with nourishment, moisture, and soothing benefits.

Toners

Complexion Renewal Pads: Experience the benefits of salicylic and glycolic acids, as these pads effectively clear dirt, minimize surface oils, and unclog pores, revealing a smoother complexion.

Calming Toner: Specifically designed for aging skin, this remarkable toner soothes dry, sensitive, or irritated skin while maintaining the optimal pH balance, enhancing the absorption of ZO products.

Oil Control Pads: Combat excess oils, bacteria, and dead skin cells with these highly effective acne pads infused with 2% salicylic acid, addressing the root causes of acne.

Exfoliators

Dual Action Scrub: Appreciated by those with oily or thicker skin types, even teens struggling with acne, this potent crystal exfoliant offers a thorough cleansing experience.

Exfoliation Accelerator: A combination of glycolic and lactic acids, this product not only removes dead skin cells but also provides soothing benefits with aloe, green tea, and chamomile.

Exfoliating Polish: This exfoliant, featuring magnesium crystals, effortlessly banishes dead skin cells, revealing a clear, smooth, and even-toned complexion.

Skin Lighteners

*** These products are Rx only. We highly suggest a complimentary consultation with a Provider to discuss candidacy and proper usage before beginning a regimen with Hydroquinone products***

Pigment Control Crème 4% Hydroquinone: Effectively reduce hyperpigmentation by targeting melanin production at the cellular level. This is essential for countering sun damage and can be complemented with a suitable exfoliator.

Pigment Control Crème 4% Hydroquinone and 20% Vitamin C: The ultimate combination for severe brown hyperpigmentation and melasma, these products work synergistically to lighten and brighten difficult pigmentation issues.

Pigment Blending Crème with 4% Hydroquinone and TRETINOIN Duo: By combining Tretinoin with a highly effective cream, this product stimulates deep skin renewal, corrects brown hyperpigmentation, and reduces fine lines.

Skin Brighteners

Brightalive: Fade the intensity of dark spots, enjoy lightweight hydration, improve luminosity, clarity, and overall skin quality. Brightalive can be used all year and is safe for expecting and nursing moms as it contains no retinol.

Retinol Skin Brightener: This high-potency retinol treatment reveals a smoother more youthful-looking complexion and fades existing sun damage with regular use. Available in .25%, .5%, or 1%.

Vitamin C Self-Activating: A high-dose Vitamin C product that brightens the skin, shields it from environmental damage, and promotes even skin tone while minimizing fine lines.

Anti-Aging

Complex A: Offering maximum concentration retinol, this product tackles severe signs of aging, including wrinkles, skin sagging, and laxity.

Daily Power Defense: Protect your skin from sun damage and environmental factors while providing light hydration for optimal skin health. This antioxidant cream defends the skin against signs of aging and improves skin barrier strength.

Enzymatic Peel: This gentle at-home peel effectively eliminates flaky skin, leaving it smoother, softer, and brighter without any downtime or flaking. Use 1-2 times per week or as needed.

Firming Serum: This serum hydrates and enhances skin elasticity, visibly tightening and firming the skin while defending against free radical damage and improving the appearance of sagging and skin laxity.

Growth Factor: A lightweight gel suitable for all skin types, containing nourishing growth factors to strengthen and rejuvenate the skin while guarding against signs of aging. Growth Factor restores hydration and reduces the appearance of fine lines and wrinkles.

Illuminating AOX: This product delivers advanced, all-day environmental protection, including proven pollution defense. Illuminating AOX blurs imperfections for a smooth finish, reduces premature signs of aging, and restores youthful luminosity to dry, dull skin.

Radical Night Repair: As a potent 1% Retinol stand-alone cream, it exfoliates dead skin layers, addressing fine lines, texture, and pigmentation. Gradual adjustment is recommended due to its potency.

Wrinkle and Texture Repair: A stand-alone product with 1% Retinol and plant stem cell antioxidants, Wrinkle and Texture Repair travels deeper into the skin to stimulate skin renewal and improve texture, firmness, and color tone.

Acne & Redness

Acne Control: Tackle acne with maximum strength using Benzoyl Peroxide, which controls surface oils, neutralizes bacteria, and prevents future breakouts.

Complexion Clearing Masque: Absorb excess oil and clear out clogged pores with this versatile masque, suitable for both the entire face and spot treatment on blemishes.

Instant Pore Refiner: Think of it as Spanx for your pores. This product smooths skin texture, minimizes imperfections, reduces surface oil for a matte appearance, and helps prevent congestion by exfoliating dead skin cells around pores.

Rozatrol: Alleviate symptoms associated with mild, moderate, and severe rosacea with this strengthening skin treatment. Its advanced amino acid complex helps restore skin to a more radiant appearance by minimizing redness, replenishing hydration and supporting healthy skin barrier function.

Hydrating Skin Products

Recovery Crème: Designed for severely dry or irritated skin, this anti-aging formula helps reduce inflammation while working overnight to repair and regenerate skin cells, addressing fine lines and wrinkles.

Renewal Crème: Ideal for dry or irritated skin, this hydrator contains encapsulated retinol, antioxidants, and anti-irritants to calm, replenish, rejuvenate, and repair the skin's moisture barrier.

Hydrating Crème: Suitable for post-procedure, compromised, severely dry, or irritated skin, this dual-purpose product provides hydration and soothes the appearance of visible redness.

Sun Protection

Broad Spectrum SPF 50: Enjoy daily multi-defense against UVA, UVB, and HEV light with our special formula, which provides antioxidant protection against free radical damage and the harmful effects of infrared rays.

Daily Sheer Broad Spectrum SPF 50: Safeguard your skin with broad spectrum protection against UVA and UVB rays, along with additional defense against high-energy visible HEV light and infrared IRA rays. This sunscreen is water and perspiration resistant for up to 80 minutes.

Gel Sunscreen Broad Spectrum SPF50: Experience comprehensive protection against UVA, UVB, HEV blue light, and IR-A rays with our gel sunscreen. Its clear gel formula effortlessly blends with all skin tones, providing a lightly hydrating, complexion-smoothing finish. It's water and sweat resistant for up to 40 minutes.

Sheer Fluid Broad Spectrum Sunscreen SPF 50: This innovative sunscreen offers triple spectrum protection against UVA, UVB, blue light, and infrared-A rays. The use of advanced pigment technology enables 22% zinc oxide to blend seamlessly with all skin tones. The time-released antioxidant complex ensures all-day environmental protection.

Smart Tone Broad-Spectrum SPF50: Providing broad spectrum UVA and UVB protection, this sunscreen not only shields your skin from free radical damage and photo damage but also offers additional protection against high-energy visible (HEV) blue light. It leaves your skin with a healthy, hydrated glow.

Sunscreen + Primer Broad Spectrum SPF 30: This exclusive formula features a 12-hour time-release antioxidant complex, guarding against photo damage. It provides daily multi-defense protection from UVA, UVB, and HEV (high energy visible) light. Use it alone or as a primer under makeup for a more even and long-lasting application.

For the eyes

Eye Brightening Crème: Support your skin's elasticity, soften fine lines, and reduce puffiness with this crème. Helps to reduce the appearance of dark circles.

Growth Factor Eye Serum: Reduce the appearance of expression lines, eye wrinkles, and improve hydration while revitalizing the vitality of your eye skin.

Intense Eye Crème: Diminish the appearance of fine lines and wrinkles, protect against free radical damage, and minimize imperfections with this eye repair product.

For the body

Body Emulsion: Exfoliate dead skin cells to soften and smooth skin texture with our exclusive 12-hour time-release antioxidant complex. This formulation also restores hydration and helps to even out skin tone.

Body Smoothing Crème: Target the deeper layers of your skin to visibly tone and firm the appearance of the thighs, buttocks, stomach, and arms. This formulation supports a healthy skin barrier in a light, quick-absorbing formulation. Body Smoothing Crème is a great add on to in-office body treatments.
